GREEN WASTE RECYCLE YARD

(510)527-8733

100% recycled mulches & lumber
from locally salvaged trees

GWRV Helps You Complete the Circle

Recycle your tree & shrub material with us and buy our recycled products- two GREAT ways to lower your carbon footprint and create a sustainable Bay Area - without digging a hole in your budget.

Mulches— All-Wood or Mixed & Aged

GWRV mulches are a great value AND eco-smart. Made from tree trimmings diverted from local landfills, our mulches pack a double-punch against global warming- by reducing potent landfill gases and by keeping transport emissions low.

Treeincarnation® Premium— an all-wood mulch shredded from small logs we can't mill. Typically a mix of pine and cypress, it has a lovely blond color and holds the ground well on sloped areas.

Mixed & Aged— a nutrient-rich "forest floor" mix of tree and shrub trimmings (chips, twigs, leaves, etc.), partially composted at our yard for several weeks.

Treeincarnation® Premium, screened 3" minus: \$20 per cubic yd

Mixed & Aged, screened 3" minus: \$20 per cubic yd

Mixed & Aged, unscreened: \$10 per cubic yd

Delivery is available Mon-Fri (call for rates), or we can load you at our yard for no additional fee.

Eucalyptus Landscape Steps & Timbers

No poisons used, no forests harmed! Custom-milled from local salvaged trees, our timbers are an eco-safe alternative to toxic railroad ties and PT wood, great for step blocks or rustic retaining walls. Exceptionally hard and dense, these timbers should last for many years.

SIZE	\$/LF	3 FT (ea)	6 FT (ea)	8 FT (ea)
6" x 6"	\$3.75	\$11.25 (50#)	\$22.50 (99#)	\$30.00 (132#)
6" x 8"	\$5.20	\$15.60 (66#)	\$31.20 (132#)	\$41.60 (176#)
8" x 8"	\$7.20	\$21.60 (88#)	\$43.20 (176#)	\$57.60 (235#)

We can cut up to 12"x12" at any length, but remember that eucalyptus weighs about 66# per cubic foot! Pre-drilling for rebar available (extra).

Eco-Lumber for Arbors, Decking & Fencing

Your structures will look stunning without harming forests or burning tanks of diesel- just use GWRY lumber milled from local salvaged trees. Besides stocking redwood, we are one of the rare sources for **Monterey Cypress**, a gorgeous blond wood that is decay-resistant and perfect for above-ground use. A favorite with local green designers, our cypress was featured in a recent LEED Gold-rated project. We can custom-mill to your specs, including blocks and slabs for benches and tables. Call for other available species and pricing.

Your Recycling Drop for Green Waste

GWRY can't be beat- easy & affordable recycling of woody green waste.

Only \$15 per cubic yard*- logs, branches, brush, & wood chips- all are charged at the same low flat rate.

Convenient location & hours- just off the Richmond Parkway @Parr Blvd, 7:30 am to 4:00 pm weekdays. We can often get you in & out with no waiting.

Easy on your budget. Easy on the planet.

*large stumps recycled for \$250-500 each. No grass, sod, succulents, or dirt accepted.

Cash/Checks/VISA/MC

ALL payments for materials and services are due at time of purchase unless otherwise arranged.

Is the recycling division of the Professional Tree Care Company (www.ProfessionalTreeCare.com), partnering with Bay Area landscapers for over 30 years. With 5 certified arborists and a full fleet, PTC can handle all your tree care needs. Please call (510) 549-3954 for estimates.
